## EXPERIENCE

---

### **Team Member**, *Clover Food Labs*

January 2023 – May 2023, February 2024 – present

- Assists all areas of food preparation and commerce.
- Works within a team and focuses on creating supportive work environments.
- Developing an interest in business and environmental footprints.

### **Team Member**, *Daily Table*

February 2024 – present

- Keeps all areas of local grocery store in stock.
- Organizes inventory.
- Separates expired items.

### **Donut Slinger**, *Union Square Donuts*

September 2023 – February 2024

- Led closing shifts and makes sure the store is tidy, set up for the morning crew. This role included most of the regular maintenance.
- Provided a welcoming atmosphere for customers, befriended regulars, and provided researched explanations for products.
- Communicated with a team to make sure that everyone was content at work, and that no problems arose.
- Went above expectations to do tasks that required know-how such as plumbing, bug-fixing technology, and working with POS software.

### **Deckhand**, *Gloucester Schooner Adventure*

2022

- Hosted public, private, and educational charters onboard an old schooner.
  - Learned to operate the schooner, follow orders and operate as a team under sail.
  - Cohabitated with coworkers/crew around the clock in on-board living conditions.
  - Completed various maintenance such as carpentry, painting, and a host of other maritime-related chores.
- 

## EDUCATION
